

Contributor Certificate

This is to certify that **Harley Street Fertility Centre, Kenya** belongs to the African Network and Registry for Assisted Reproductive Technology, and proudly contributed data to the Annual Report in 2019.

ANARA collects, analyses and reports annually data on the utilization, effectiveness and safety of ART procedures conducted in Africa.

These data make the collective care visible and create a foundation for further developments in ART.

Prof Silke Dyer (PhD, FCOG, FRCOG Hon)

Director ANARA
